# VELOCITY & AGILITY!

The *Managers and Consultants as Change Agents* workshop shows you how to identify, visualize, plan, and implement transitions that lead to enhanced business performance. Learn to use effective, integrated approaches for successful organizational transitions.

## *Managers and Consultants as Change Agents*

**W**ith this dynamic workshop, you can gain the skills and confidence to create conditions for success in group and organizational level transformation. Develop strategies to successfully lead a change effort to build resilient and sustainable organizations.

- Learn why most transformational efforts fail
- Learn critical change-agent tools and techniques and apply them to complex business scenarios
- Understand how change impacts individuals and the organization
- Recognize resistance and effectively deal with it
- Create successful change action planning

**M***anagers and Consultants as Change Agents* brings the experience to you. Our workshop environment is very hands-on, fun and stimulating. Participants will work together to learn and practice change management tools in a non-threatening, supportive environment.
